Subject: RE: Tekoi Landfill Emission Fee Calculation Submittal Question

Hi Gail,

Thank you for understanding. We will submit the emissions inventory electronically and pay the annual fee payment online as well as follow-up with paper copy submittals as soon as we can.

Thanks again,
Haley

===== This message originated outside of SCS Engineers =====

Hi Haley – We understand the challenges with many working remotely. For the next month or two, it is acceptable to provide electronic submittals. We request that you follow-up with paper submittals with wet signature documents after normal operations resume.

Information for online fee payment is available on the following website:
<https://www.epa.gov/title-v-operating-permits/epa-issued-operating-permits>

Colin was delayed getting back but has confirmed he'll be back working on Monday if you have any more questions.

Thanks,
Gail

Subject: Tekoi Landfill Emission Fee Calculation Submittal Question

Hi Colin,

I am working on the Tekoi Landfill Emission Fee Calculation submittal due April 1st. Due to the Governor of California's state-wide shelter-in-place order, all of our offices are currently closed. Typically, we would send a paper copy of the submittal to the EPA and mail a check to the lock box in Missouri on behalf of the Landfill. However, due to our offices being closed, we are unable to publish reports or cut checks at this time. I am wondering if the EPA will waive the paper copy submittal requirement for this submittal and allow an electronic-only submittal. In addition, does the EPA have a system where the annual fee payment can be made online?

Thank you,
Haley
